REMARKS/ARGUMENTS

Claims 3 and 12 remain in this application.

Claims 3 and 12 have been amended.

Claim 5 has been canceled.

The Examiner has rejected Claims 3 and 12 for being indefinite. The Examiner has stated there is no clear antecedent basis for "said bag closing" in line 7 of each of these claims. The antecedent for said use is to apply only to "bag" and then it is a separate phrase that starts with closing. However, applicant has amended Claims 3 and 12 in a manner that should overcome this rejection.

It is now believed that the subject application is in condition for allowance with Claims 3 and 12 being allowed.

The Commissioner is hereby authorized to charge any additional fees which may be required, or credit any overpayment to account No. 13-4899.

Respectfully submitted,
